I am a highly enthusiastic self-motivated person who likes to figure out the things beyond our eyesight. I am currently working on the field ethical hacking and cyber security and aspires to be good professional in it. I'm a passionate volunteer and a committed social worker. I'm still learning, observing and growing up to be a better person than who I am today. With the constant mentorship from my teachers and seniors as well as my CSI journey has moulded me into who I am today.

WORK EXPERIENCE

Chairman

08/2020 to Present

Computer Society Of India SB, Govt. Eng. College
Barton Hill, Kunnukuzhi, Trivandrum

My role as a Chairman of a dynamic executive committee taught me that it's not about demanding others what to do, but instead, working with them for the successful and better tomorrow that we can offer to our fellow upcoming generations. My two years of experience in this Executive Committee has given me the courage and knowledge to lead the society with the constant support of my hard-working colleagues.

Publicity Head

06/2019 to 08/2020

Computer Society Of India SB, Govt. Eng. College
Barton Hill, Kunnukuzhi, Trivandrum

As a Publicity Head of CSI SB GECBH, I was able to connect with many professionals and respected people, since it was my duty to perfectly handle all the connections that was established during my tenure via all the social media handles.

First Year Representative

09/2018 to 06/2019

Computer Society Of India SB, Govt. Eng. College
Barton Hill, Kunnukuzhi, Trivandrum

As a First Year Representative of CSI SB GECBH, I was able to learn all the basic fundamentals in an Executive Committee and was able to closely observe the actions my seniors took in-order to run the executive committee.
